Dear Naomi:

Aram's concert last week (2-7-'95) was absolutely superb. People I see who heard him are still talking about it. At the close of his final number there was a spontaneous standing ovation from a nearly filled house--even on that bitter cold night. Our members regularly request organ talent--and Aram's performance was one of the best--perhaps the best we have had. He was discreet, diplomatic and artistic in his use of our in house Moeller that "die hards" among our organ buffs want to hear. Everyone was satisfied, and it was a "first" for him--two organs on stage to choose from! His impromptu "appreciation lesson" explaining the functions and comparisons of the two instruments was well spoken. And to top it off, he is a charming young man with a sense of humor that entertains even the anti-organ concert members.

Not only that--Aram Basmadjian does "a great pitch" for pre-campaign Community Concerts!!

We look forward to his return in the future. Just don't let him "burn himself out." Having heard his "show case" two years ago, I knew he would be a smash. He is a gem! Mim Menaker and Vinnie Anliot join me in this commendation, and although I have "retired" ??? you may expect to see me at conferences in N. Y. again.

Best wishes to you and your staff,

Vivian T. E. E. E.
